MANAGEMENT PROXY CIRCULAR

(all information as at July 16, 2020 unless otherwise noted)

PERSONS MAKING THE SOLICITATION

This Management Proxy Circular (the “**Circular**”) is furnished to you in connection with the solicitation of proxies being made by management of Uranium Participation Corporation (“**UPC**” or the “**Corporation**”) for use at the Annual Meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares in the capital of the Corporation (the “**Common Shares**”) to be held at **9:30 a.m.** (Eastern Time) on **Thursday, August 27, 2020** at the place and for the purposes set forth in the accompanying Notice of Meeting.

Given the extraordinary social and economic impacts of the COVID-19 pandemic, including governmental recommendations and/or orders for physical distancing and restrictions on non-essential travel and business activities, **we request that shareholders do not attend the meeting in person.** We believe it is in the best interests of our shareholders, directors and others for shareholders to communicate their votes and their opinions in advance of, instead of at, the meeting. We recommend you refer to the Annual General Meeting page of the Corporation’s website at www.uraniumparticipation.com for the most up-to-date information regarding the meeting and as a method to ask questions of the directors and/or management in advance of the meeting.

While the Corporation expects that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors and officers of the Corporation at a nominal cost. All costs of this solicitation will be borne by the Corporation.

VOTING BY PROXY

This Circular provides the information that you need to have your vote recorded at the Meeting.

- If you are a registered holder of Common Shares, you have been sent a proxy form.
- If your Common Shares are held by a nominee, you may receive either a proxy form or voting instruction form and should follow the instructions provided by the nominee.

We are encouraging all Shareholders to vote by using the proxy form or voting instruction form provided, instead of attending in person. A proxy must be in writing and must be executed by you or by your attorney authorized in writing, unless you have chosen to complete your proxy by telephone or the Internet, as described on the proxy form or voting instruction form provided.

On the proxy form, you can indicate how you want to vote your Shares or you can let your proxyholder decide for you. The individuals named in the accompanying form of proxy are directors or officers of the Corporation. **AS A SHAREHOLDER YOU HAVE THE RIGHT TO APPOINT SOME OTHER PERSON OR CORPORATION (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE PROXY, EITHER BY INSERTING SUCH PERSON’S OR CORPORATION’S**

NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY.

No proxy will be valid for use at the Meeting, or any adjournment thereof, unless it is completed, dated and signed and delivered to Computershare Investor Services Inc. (“**Computershare**”), Toronto Office, Proxy Department, at 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 by **9:30 a.m.** (Eastern Time) on **August 25, 2020**. For general inquiries, Shareholders may contact Computershare as follows by telephone at 1-800-564-6253 or by e-mail at service@computershare.com.

If you are a beneficial Shareholder and receive these materials through your broker or through another intermediary, please complete and return the Proxy or voting instruction form in accordance with the instructions provided by your broker or other intermediary.

ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

These Shareholder materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder and UPC or its agent has sent these materials directly to you, then your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf.

The information set forth in this section is of significant importance to many Shareholders of the Corporation, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold Common Shares in their own name, referred to in this Circular as “**non-registered holders**”, should note that only Proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. However, in many cases, Common Shares beneficially owned by a non-registered holder are either:

- (a) in the name of an intermediary that the non-registered holder deals with in respect of the Common Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a depository, such as CDS Clearing and Depository Services Inc. (“**CDS**”), of which the intermediary is a participant.

In accordance with Canadian securities laws, UPC has distributed copies of the Notice of Meeting, this Circular and the Proxy (collectively, the “**meeting materials**”) to CDS and intermediaries for onward distribution to those non-registered holders to whom UPC has not sent the meeting materials directly.

In such cases, intermediaries are required to forward meeting materials to non-registered holders, unless a non-registered holder has waived the right to receive them. Very often, intermediaries will use a service corporation (such as Broadridge Financial Solutions, Inc.) to forward the meeting materials to non-registered holders. UPC does not intend to pay for delivery of the meeting materials to the “objecting beneficial holders” (“**OBOs**” as defined in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*), and as a result, the OBOs will not receive the meeting materials unless their intermediary assumes the cost of delivery.

Non-registered holders who have not waived the right to receive meeting materials will receive either a voting instruction form or, less frequently, a Proxy. The purpose of these forms is to permit non-registered holders to direct the voting of the Common Shares that they beneficially own. Non-registered holders should follow the procedures set out below, depending on which type of form they receive.

- A. Voting Instruction Form. In most cases, a non-registered holder will receive, as part of the meeting materials, a voting instruction form. If the non-registered holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the non-registered holder's behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. If a non-registered holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the non-registered holder's behalf), the non-registered holder must complete, sign and return the voting instruction form in accordance with the directions provided, and a Proxy giving the right to attend and vote will be forwarded to the non-registered holder.

Or

- B. Form of Proxy. Less frequently, a non-registered holder will receive, as part of the meeting materials, a Proxy that has already been signed by the intermediary (typically by facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the non-registered holder, but which is otherwise uncompleted. If the non-registered holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the non-registered holder's behalf), the non-registered holder must complete the Proxy and deposit it with Computershare as described above. If a non-registered holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the non-registered holder's behalf), the non-registered holder must strike out the names of the persons named in the Proxy and insert the non-registered holder's (or such other person's) name in the blank space provided.

Non-registered holders should follow the instruction on the forms that they receive and contact their intermediaries promptly if they need assistance.

REVOCAION OF PROXIES

A registered Shareholder who has given a Proxy may revoke it by an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivering it either to the registered office of the Corporation, at 1100 - 40 University Avenue, Toronto, Ontario, Canada, M5J 1T1, at any time up to and including 9:30 a.m. (Eastern Time) on the last business day preceding the day of the Meeting or to the Chair of the Meeting on the day of the Meeting or any adjournment of the Meeting. **Only registered Shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective intermediaries to revoke the Proxy on their behalf.**

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

On any ballot that may be called for at the Meeting, the Common Shares represented by a properly executed Proxy given in favour of the persons designated by management of the Corporation in the enclosed Proxy will be voted or withheld from voting in accordance with the instructions given on the Proxy.

Where Shareholders have properly executed Proxies in favour of the management nominees named in the enclosed form of Proxy and have not specified in the form of Proxy the manner in which the named management nominees are required to vote the Common Shares represented thereby, such Common Shares will be voted in favour of the passing of the matters set forth in the Notice of Meeting.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed Proxy holders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, the management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting.

ELECTRONIC DELIVERY OF DOCUMENTS

Every year, as required by laws governing public companies, the Corporation delivers documentation to Shareholders. In order to make this process more convenient, Shareholders may choose to be notified by email when the Corporation's documentation, including the meeting materials, is posted on the Corporation's website (www.uraniumparticipation.com) and, accordingly, such documentation will not be sent in paper form by mail other than as required by applicable laws.

Delivery in an electronic format, rather than paper, reduces costs to the Corporation and benefits the environment. Shareholders who do not consent to receive documentation through email notification will continue to receive such documentation by mail or otherwise, in accordance with securities laws. By consenting to electronic delivery, Shareholders: (i) agree to receive all documents to which they are entitled electronically, rather than by mail; and (ii) understand that access to the Internet is required to receive a document electronically and certain system requirements must be installed (currently Adobe Acrobat Reader to view Adobe's portable document format ("PDF")). Such documents may include the financial statements and management's discussion and analysis ("MD&A"), the annual report (including audited annual consolidated financial statements and MD&A), the annual information form, the notice of annual and/or special meeting and related management information circular and materials, and other corporate information about the Corporation.

At any time, UPC may elect to not send a document electronically, or a document may not be available electronically. In either case, a paper copy will be mailed to Shareholders.

Registered Shareholders can consent to electronic delivery by completing and returning the consent included with the form of Proxy. Non-registered Shareholders can consent to electronic delivery by completing and returning the appropriate form received from the applicable intermediary. The Corporation will notify Shareholders using the email address provided by the Shareholder on the form of Proxy when the documents that the Shareholder is entitled to receive are posted on the Corporation's website, with a link to the specific pages of the website containing the PDF document. Shareholders are not required to consent to electronic delivery.

NOTICE AND ACCESS

Public companies are permitted to advise their shareholders of the availability of all proxy-related materials to be delivered to shareholders on an easily accessible website, rather than the Corporation being required to mail physical copies of the materials.

The Corporation has decided to deliver its meeting materials to Shareholders by posting them on its website at www.uraniumparticipation.com. The meeting materials will be available on the Corporation's website on July 28, 2020 and will remain on the website for one full year. The Circular will also be available on the System for Electronic Document Analysis and Retrieval ("**SEDAR**") at www.sedar.com on July 28, 2020.

Shareholders may request copies of the meeting materials by mail at no cost until August 26, 2021 by email to info@uraniumparticipation.com or by calling 1-888-689-7842. For Shareholders who wish to receive copies of the Circular in advance of the voting deadline, requests must be received **no later than August 14, 2020**.

The Corporation has decided to mail paper copies of the Circular to those registered and non-registered Shareholders who had previously elected to receive paper copies of the Corporation's meeting materials. All other Shareholders will receive a "notice and access" notification which will contain information on how to obtain electronic and paper copies of the Circular in advance of the Meeting and for a full year following the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors. For the purpose of this paragraph, "Person" shall include each person: (a) who has been a director or executive officer of the Corporation at any time since the commencement of the Corporation's last financial year; (b) who is a proposed nominee for election as a director of the Corporation; or (c) who is an associate or affiliate of a person included in subparagraph (a) or (b).

VOTING SECURITIES

The Common Shares are the only shares issued by the Corporation. The record date for the determination of the Shareholders entitled to receive notice of the Meeting is at the close of business on July 10, 2020 (the "**Record Date**"). As of the close of business on the Record Date, the Corporation had issued and outstanding 136,688,311 fully paid and non-assessable Common Shares without par value, each Common Share carrying the right to one vote.

In accordance with the provisions of the *Business Corporations Act* (Ontario) (the "**OBCA**"), the Corporation has prepared a list of holders of Common Shares on such Record Date. Each holder of Common Shares named on the list will be entitled to vote the Common Shares shown opposite his or her name on the list at the Meeting, except to the extent that (a) the holder has transferred any of his or her Common Shares after the Record Date, and (b) the transferee of such Common Shares produces properly endorsed share certificates or otherwise establishes that he or she owns such Common Shares and demands, not later than ten days before the Meeting, that his or her name be included in the list before the Meeting, in which case the transferee is entitled to vote such Common Shares at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as of the Record Date, no persons or companies beneficially own or exercise control or direction over, directly or indirectly, voting securities of the Corporation carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation.

PARTICULARS OF MATTERS TO BE ACTED ON

To the knowledge of the Corporation, the only matters to be dealt with at the Meeting are:

- (a) to receive the Corporation's consolidated financial statements for the year ended February 29, 2020, along with the auditor's report on the statements;
- (b) to reappoint the auditor for the upcoming year and to authorize the directors to fix the remuneration of the auditor;
- (c) to elect directors to the board of directors (the "**Board**") for the ensuing year; and
- (d) to transact such other business as may properly come before the Meeting.

If any other matter properly comes before the Meeting, it is the intention of the persons named in the Proxy to vote the Common Shares represented thereby in accordance with their best judgment on such matter.

REAPPOINTMENT AND REMUNERATION OF THE AUDITOR

PricewaterhouseCoopers LLP ("**PwC**"), Chartered Professional Accountants, is the Corporation's independent auditor. At the Meeting, you may either vote for reappointing PwC as UPC's auditor to hold office until the end of the next annual meeting of shareholders and authorizing the directors to fix its remuneration, or you can withhold your vote. **Unless otherwise instructed, Proxies and voting instructions given pursuant to this solicitation by UPC's management will be voted FOR reappointing PwC and authorizing the directors to fix PwC's remuneration.**

ELECTION OF DIRECTORS

The Corporation's articles authorize a minimum of one (1) and a maximum of ten (10) directors. In accordance with a resolution passed by the Board on April 2, 2020, the number of directors to be elected at the Meeting is six (6) and it is proposed that all of the current directors be re-elected at the Meeting.

The persons named in the Proxy intend to vote for the re-election of the following directors:

Paul J. Bennett	Garth MacRae
Thomas Hayslett	Ganpat Mani
Jeff Kennedy	Dorothy Sanford

The term of office of each of the present directors expires at the Meeting. Each of the nominated directors is eligible to serve as a director and has expressed his or her willingness to do so. Directors who are elected will serve until the end of the next annual meeting of the Corporation or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the by-laws of the Corporation or with the provisions of the OBCA.

Unless otherwise instructed, Proxies and voting instructions given pursuant to this solicitation by UPC's management will be voted FOR the election of the proposed nominees. If any proposed nominee is unable to serve as a director or withdraws his or her name, the named proxyholders reserve the right to nominate and vote for another individual in their discretion.

UPC's Board recognizes that the quality of its directors is an important factor in the overall success of the Corporation. UPC is committed to ensuring that its Board is composed of members who have the competencies, capabilities and diversity required to understand UPC's business, along with the integrity and motivation required to properly discharge their fiduciary duties in the long term best interests of the Corporation and all of its Shareholders.

The Board adopted a Diversity Policy on January 13, 2015 which includes provisions relating to the identification and nomination of women to the Board. See "UPC's Corporate Governance Practices – Diversity on the Board – Female Representation on the Board and in Management" on page 16 for a summary.

When considering the Board as a whole and assessing directors' candidacy for the Board, the Corporate Governance and Nominating Committee follows its established guidelines for the Board's composition, including its Diversity Policy and its "*Guidelines for the Composition of the Board*", and seeks directors who have some or all of the following attributes:

- Financial accreditation and/or financial literacy
- Sound business experience and expertise
- Corporate governance experience
- Compensation literacy
- Uranium industry and market experience and knowledge
- Corporate finance and corporate development experience
- Respected by the financial and business communities
- Candidacy consistent with the Diversity Policy and the targets set thereunder
- Strong board skills, such as:
 - Integrity
 - Networking abilities
 - Interpersonal skills
 - Ability to think strategically and act independently
 - Independent, as such term is defined by the Canadian Securities Administrators

Advance Notice Requirements

The by-laws of the Corporation contain advance notice and nominee information requirements (the "**Advance Notice Requirements**") for nominations of directors prior to any annual or special meeting where directors are to be elected. The Advance Notice Requirements are important for the Corporation and for Shareholders for a number of reasons:

- The Advance Notice Requirements provide the Corporation with adequate prior notice of director nominations (being notice delivered to the Corporation at least 40 days prior to the date of a shareholder meeting in the event the Corporation uses "notice and access" to deliver meeting materials to shareholders, as is the case with this Meeting).
- The Advance Notice Requirements ensure the Corporation has sufficient information about nominees. This way, the Corporation will be in a better position to evaluate a proposed nominee's qualifications and suitability to serve as a director of the Corporation.
- The Advance Notice Requirements facilitate an orderly and efficient meeting process.

As at the date hereof, the Corporation has not received notice of any director nominations in connection with the Meeting. Accordingly, the only persons currently nominated for election to the Board are the above-named management nominees.

Director Share Ownership Requirement

The Board has adopted share ownership requirements for its members, which require directors to own Common Shares with a cost of acquisition equal (in Canadian dollars) to two times the value of their annual director retainers. Directors must comply with this requirement by the later of: (1) the Corporation's next annual meeting of shareholders at which directors are to be elected; (2) one year from the date of their election to the Board (the "**Share Ownership Requirement**"). All directors, regardless of jurisdiction of residence, receive a retainer of US\$25,000 per year, plus US\$1,000 per attended meeting of the Board and committees of the Board.

Profiles of the Nominated Directors

The table below sets out information about each nominated director as at the date hereof, including their background and experience, main areas of expertise and other public company boards of which they are members. In addition, the table discloses the number of Common Shares each nominee owns or over which such nominee exercises control or direction (as provided by each nominated director) and such nominee's compliance with the Share Ownership Requirement.

 - (d) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Until March 2019, Mr. Garth MacRae was Chairman of the board of directors of Dundee Energy Limited (“DEL”). Following the sale of DEL’s wholly-owned subsidiary, Dundee Energy Limited Partnership in November 2018, pursuant to a court supervised sale process, DEL and certain of its subsidiaries filed an assignment for the benefit of creditors under the *Bankruptcy and Insolvency Act* (Canada) on March 28, 2019.

Majority Voting Policy

The Board has adopted a majority voting policy, pursuant to which, if a nominee for director receives a greater number of votes “withheld” from his or her election than votes “for” his or her election from the Common Shares voted at the Meeting, he or she is to promptly tender his or her resignation to take effect upon acceptance by the Board. The Corporate Governance and Nominating Committee will expeditiously consider the director’s offer to resign and make a recommendation to the Board whether to accept that offer. Within 90 days of the Meeting, the Board must determine whether or not to accept the resignation, and the Board must accept the resignation absent exceptional circumstances.

Any director who tenders his or her resignation will not participate in the deliberations of the Board or any of its committees pertaining to the resignation. The majority voting policy applies only in circumstances involving an uncontested election of directors, meaning an election in which the number of nominees is equal to the number of directors to be elected.

UPC'S CORPORATE GOVERNANCE PRACTICES

UPC is a reporting issuer in all of the provinces of Canada. Its Common Shares trade on the Toronto Stock Exchange (TSX: U).

Since its formation, UPC has appointed Denison Mines Inc. (the "**Manager**"), a wholly owned subsidiary of Denison Mines Corp. ("**DMC**"), to manage UPC. See "Management Contracts".

The Board of Directors

UPC's Board is currently comprised of six (6) directors. In accordance with TSX requirements, each of the directors proposed by management is to be elected individually at the Meeting to serve until the end of the next annual meeting of Shareholders.

Independence

With the assistance of the Corporate Governance and Nominating Committee, the Board reviews each director's independence annually and upon the appointment or election of a new director. The assessment of independence is made in accordance with standards of the Canadian Securities Administrators in National Instrument 52-110 – *Audit Committees* ("**NI 52-110**") and the Governance Guidelines.

The Board last considered the independence of the directors at its meeting on April 2, 2020, and has determined that all six of its directors, each of whom are standing for reelection at the Meeting, are independent.

In addition to being entirely comprised of independent directors, in accordance with the standards in s.1.4 of NI 52-110, the Board believes that adequate structures and processes are in place to facilitate the independent functioning of the Board for several reasons:

- The Board has a Lead Director Ms. Sanford has been appointed the Lead Director by the Board, upon the recommendation of the Corporate Governance and Nominating Committee, to preside at any meetings for which the Chair is unavailable.

The Lead Director serves as an additional independent leadership contact for directors and assists in maintaining and enhancing the quality of the Company's corporate governance.
- The Board regularly meets without management. The Board has an opportunity to meet in camera without management at every Board and committee meeting.

Separate from, and in addition to, the formal assessment and determination of independence described above, the Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has or could have a material interest. Such steps have included the adoption of the Code of Ethics, which provides examples of conflicts of interests and outlines the procedure to be followed in situations that present an actual or potential conflict of interest (including reporting such conflict or potential conflict to the Chair of UPC's Audit Committee).

The Role of the Board

The Board of UPC is responsible for the direction of the business, affairs and operations of the Corporation and the oversight of the Manager.

In discharging its stewardship over the Corporation, the Board has undertaken the following specific duties and responsibilities:

- monitoring of management and the Manager;
- to the extent feasible, satisfying itself (a) as to the integrity of the CEO and other executive officers, and (b) that the CEO and other executive officers create a culture of integrity throughout the organization;
- adopting a strategic planning process and approving, on at least an annual basis, a strategic plan which takes into account, among other things, the opportunities and risks of the business;
- the identification of the principal risks of the Corporation's business and ensuring the implementation of appropriate systems to manage these risks, as applicable;
- adopting a communications policy for the Corporation; and
- oversight of the integrity of the Corporation's internal control and management information systems and those of its Manager.

The Board has adopted a formal mandate setting out the role and responsibilities of the Board (see Appendix A) (the "**Board Mandate**"). In order to delineate the roles and responsibilities of the Chair of the Board, the Chair of each committee of the Board and the President and Chief Executive Officer (the "**CEO**"), the Board Mandate contains written descriptions of the roles and responsibilities for each of these positions. In addition, the Board Mandate establishes limits of authority for the CEO.

Generally, decisions relating to matters that are not in the ordinary course and/or that involve material expenditures or commitments on the part of the Corporation require prior approval of the Board. Most other matters have been delegated to management. As the Board has plenary power, any responsibility which is not delegated to management or a Board committee remains with the Board.

The responsibilities of the Chair of the Board (and the Lead Director, as applicable) include presiding over Board meetings, assuming principal responsibility for the Board's operation and functioning independent of management and ensuring that Board functions are effectively carried out.

The CEO is appointed by the Board and, subject to the oversight of the Board, is responsible for the management of the Corporation's business, providing leadership and vision, developing and recommending significant corporate strategies and objectives for approval by the Board.

Specific responsibilities and authorities of the Chair of each committee of the Board are also set out in the mandate for each committee. Generally, the Chair of a committee leads and oversees the activities of the committee to ensure that it fulfills its mandate and operates independently of management.

Board Committees

To assist the Board with its responsibilities, the Board has established three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. Each committee has a written mandate and reviews its mandate annually.

Each of the standing committees has responsibility in its area of expertise for identifying the principal risks in UPC's business and monitoring management's implementation and assessment of appropriate risk management systems.

The Audit Committee

The Audit Committee has three members:

- Dorothy Sanford (Chair)
- Garth MacRae
- Ganpat Mani

Each member of the Audit Committee is independent and financially literate, as such terms are defined in sections 1.4, 1.5 and 1.6 of NI 52-110. Ms. Sanford has an Honours Bachelor of Commerce from Queen's University, an M.B.A. degree from the University of Toronto and is an elected Fellow of the Institute of Chartered Professional Accountants of Ontario and has a long career providing regulatory advisory services to the financial services industry and market participants as an independent consultant and as a Partner at PricewaterhouseCoopers LLP for more than 10 years. Mr. MacRae is a Chartered Professional Accountant, who held the position of Chief Financial Officer at a public company. He has also served on the audit committees of a number of public company boards. Mr. Mani has held a number of director and senior officer positions with public companies. He also has a Master of Business Administration degree from Rutgers University.

The Audit Committee oversees the accounting and financial reporting processes of the Corporation and its subsidiary and all audits and external reviews of the financial statements of UPC, on behalf of the Board. This includes the responsibility for examining all financial information, including annual and quarterly financial statements, prepared for securities commissions and similar regulatory bodies prior to filing or delivery of the same.

The Audit Committee's oversight of the audit and external review process includes: (a) review of the services provided by the Corporation's auditors, and recommending to the Board the firm of independent auditors to be nominated for appointment by the Shareholders; (b) reviewing the independence of the Corporation's external auditor, and ensuring that the independence of the auditor is not compromised through engaging it for other services; and (c) pre-approval of all auditing services, audit-related services (such as quarterly review services) and non-audit services to be provided to the Corporation.

All services performed by the Corporation's auditor, PwC, comply with professional standards and securities regulations governing auditor independence. The following table discloses the fees billed to UPC by PwC during the last two fiscal years.

Financial Year Ending	Audit Fees⁽¹⁾	Audit-Related Fees⁽²⁾	Tax Fees	All Other Fees
February 29, 2020	\$59,500	\$37,300	Nil	Nil
February 28, 2019	\$59,900	\$162,800	Nil	Nil

Notes:

1. The aggregate fees billed for audit services related to the Corporation's annual consolidated financial statements.
2. The aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements that are not disclosed in the Audit Fees column. Fees primarily relate to (a) reviews of interim consolidated financial statements, (b) for fiscal 2019, audit engagements in connection with review of audited and reviewed financial disclosure for the filing of the Corporation's base shelf prospectus and for equity financings of the Corporation completed pursuant to a prospectus supplement to the Corporation's base shelf prospectus; and (c) audit-related engagements in connection with the review of audited and reviewed financial disclosure during fiscal 2019 and fiscal 2020 and the review of the auditors' independence with respect to certain special projects undertaken by the Corporation during fiscal 2019.

The Audit Committee also has general responsibility for oversight of internal controls and the internal audit function. The Corporation's senior internal auditor reports directly to the Chief Financial Officer and the Chair of the Audit Committee on matters related to internal accounting controls.

The Audit Committee reviews, on a continuous basis, any reports prepared by UPC's auditor relating to the Corporation's accounting policies and procedures, as well as internal control procedures and systems.

The Board has also delegated to the Audit Committee the responsibility of overseeing each of the Corporation's Code of Ethics, Whistleblower Policy and Anti-Bribery Policy.

The Audit Committee met four times during the most recently completed financial year. At every meeting, the Audit Committee met with the external auditor without management present.

For additional information required by NI 52-110, please refer to the Corporation's Annual Information Form under the heading "Standing Committees – Audit Committee".

The Compensation Committee

The Compensation Committee has two members:

- Paul Bennett (Chair)
- Garth MacRae

All officers of UPC are provided by the Manager and UPC does not compensate any executives. The Compensation Committee has been mandated to review the adequacy and form of the compensation of directors and to ensure that such compensation realistically reflects the responsibilities and risks involved in being an effective director. The Compensation Committee has also been delegated the oversight of UPC's Anti-Hedging Policy.

Members of the Compensation Committee are independent, and have experience and skills relevant to executive compensation. Both Messrs. Bennett and MacRae have served as executives and directors for other public companies and each have over 40 years of experience with natural resources companies providing them with relevant experience in determining compensation. Mr. MacRae also holds a Chartered Professional Accountant designation. The Compensation Committee met twice during its most recently completed financial year.

The Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee has three members:

- Jeff Kennedy (Chair)
- Paul Bennett
- Thomas Hayslett

All members of the Corporate Governance and Nominating Committee are independent, as defined in s.1.4 of NI 52-110. This committee is responsible for UPC's approach to corporate governance, monitors the regulatory environment and recommends changes to the Corporation's practices when appropriate. The Corporate Governance and Nominating Committee oversees the effective functioning of the Board and the relationship between the Board and management, to ensure that the Board can function independently of management as required. The Corporate Governance and Nominating Committee also identifies individuals qualified to become new Board members and recommends to the Board the director nominees at each annual meeting of Shareholders and, with the assistance of the Board and where necessary, develops an orientation and education program for new recruits to the Board.

In identifying possible nominees to the Board, the Corporate Governance and Nominating Committee considers the competencies and skills necessary for the Board as a whole, the skills of existing directors and the competencies and skills each new nominee will bring to the Board, as well as

whether or not each nominee will devote sufficient time and resources to the Board and whether he or she is independent within the meaning of the Governance Guidelines.

The Corporate Governance and Nominating Committee also annually reviews and makes recommendations to the Board with respect to: (i) the size and composition of the Board; (ii) the independence of Board members; (iii) the composition of the committees of the Board; (iv) the effectiveness and contribution of the Board, its committees and individual directors, having reference to their respective mandates, charters and position descriptions; and (v) compliance with and amendments to the Board mandates, policies and guidelines.

The Corporate Governance and Nominating Committee has adopted the annual practice of distributing and reviewing the results of written board effectiveness assessments. The assessments question members of the Board as to their level of satisfaction with the functioning of the Board, its interaction with management and the performance of the standing committees of the Board. The Board members also conduct peer reviews and a self-assessment as to their effectiveness as a Board member. After the assessments are reviewed, the Corporate Governance and Nominating Committee reports to the Board as to the results and make recommendations to the Board to improve UPC's corporate governance practices. This process occurs annually prior to the consideration by the Corporate Governance and Nominating Committee of nominations for Board member elections at the annual meeting of Shareholders each year.

In addition, the Corporate Governance and Nominating Committee reviews the Corporation's disclosure of its corporate governance practices in the Circular each year. The Corporate Governance and Nominating Committee met twice in the last fiscal year.

Diversity on the Board

Female Representation on the Board and in Management

The Board recognizes that diversity enriches the decision making process and is important to the Corporation's good governance. The Board formally adopted a Diversity Policy, which clarifies the Corporation's commitment to identifying and considering women for its Board. Along with the adoption of the Diversity Policy, the Board also amended the guidelines by which the Corporate Governance and Nominating Committee considers the composition of the Board and evaluates candidates to include a commitment for the Committee to consider qualified female candidates for nomination to the Board to further the Board's goals of achieving gender diversity. For example, in fiscal 2016, as part of its ongoing commitment to diversity, the Corporate Governance and Nominating Committee sought new nominees for the Board to present to Shareholders at the Meeting. As a result of its search, Ms. Sanford was identified as a candidate that would enhance the diversity of, and bring a depth of knowledge and breadth of experience that would strengthen the Board.

Each year, the Corporate Governance and Nominating Committee is required to measure and report to the Board as to the Company's annual and cumulative progress in achieving targets for representation of women within UPC. The Board had approved a fiscal 2021 target of maintaining at least the current level of gender diversity on the Board (currently one director is female, representing 16.67% of the Board) as well as to consider gender diversity as a key factor in its nomination process in the event of future vacancies on the Board.

The Corporation's officers are provided to UPC by the Manager. The ultimate decision by the Manager to recommend a candidate for appointment as an officer is based on merit, experience and the contribution that the candidate can bring to the position. In this regard, the Board has encouraged the Manager to consider women, having the necessary skills, knowledge and experience, when evaluating potential candidates for officer positions in order to further the Corporation's goals of

achieving gender diversity. The Manager is required to furnish the services of four (4) officers to the Corporation, currently the CEO, CFO, Chief Commercial Officer and Corporate Secretary. The Corporate Secretary is female, representing 25% of the officers furnished by the Manager to the Corporation.

Director Term Limits

While the Corporation recognizes that director term limits are a means to create board renewal and that board renewal can be an important factor to aid increased diversity, the Corporation has not instituted director term limits for various reasons, including:

- i. The Board has experienced new membership through natural turn-over and succession planning without the imposition of formal term limits.
- ii. The Corporation believes that, in taking into account the nature and size of the Board and the Corporation, it is more important to have relevant experience than to impose set time limits on a director's tenure, which may create vacancies at a time when a suitable candidate cannot be identified and as such would not be in the best interests of the Corporation.

In lieu of imposing term limits, the Corporation regularly monitors director performance through annual evaluations and regularly encourages sharing and new perspectives through regularly scheduled Board meetings, meetings with only independent directors in attendance, as well as through continuing education initiatives. On a regular basis, the Corporation analyzes the skills and experience necessary for the Board and evaluates the need for director changes to ensure that the Corporation has highly knowledgeable and motivated Board members.

Director Education

The Board encourages directors and senior management to participate in appropriate professional and personal development activities, courses and programs.

To enhance the Board's understanding of the nuclear industry and market developments, director education is implemented in the following ways at UPC:

- Updates and Subscriptions Management distributes updates, newsletters and articles on industry and regulatory information to the Board on a regular basis via email, including weekly email distribution of industry and market update publications. Additionally, the Corporation maintains subscriptions to regular newsletters on topics of interest that are circulated to the Board.
- Management Presentations to the Board and to Committees Management regularly prepares and presents relevant information to Board members, by way of (a) periodic corporate, industry and market update emails, and (b) more in-depth corporate, industry and market updates at each regularly scheduled Board meeting. Similarly, the Corporation's Corporate Secretary and legal counsel, as applicable, provides directors and officers with summary updates of any developments relating to the duties and responsibilities of directors and officers and to any other corporate governance matters. The Chief Financial Officer ensures that the Audit Committee is apprised of relevant developments and issues.
- Third Party Presentations to the Board Periodically, and at least annually in recent years, the Board will receive presentations from third parties regarding developments in the industry, market updates or other matters relevant to governance of the Corporation.
- An on-line board portal dedicated exclusively to the Board In addition to housing meeting materials, UPC's board portal includes a reference manual, which includes corporate information, industry information, regulatory and governance updates and corporate policies. As a hosted website dedicated to the Corporation's Board, the portal is current and available to directors wherever they are.

Management also provides new Board members with an orientation session, covering a range of topics from the role of the Board, its committees and directors, to UPC's business and the uranium business generally.

Director Attendance Record

The table below shows the number of Board and standing committee meetings each director attended since the beginning of the financial year ended February 29, 2020 until the date hereof.

At every Board and committee meeting, including those held by teleconference, directors have an opportunity to meet *in camera* without management present.

UPC's Code of Ethics & Whistleblower Policy

The Corporation is committed to conducting its business in compliance with the law and the highest ethical standards. UPC has adopted a written Code of Ethics which applies to directors and officers of the Corporation, and annually each of the Corporation's officers and directors are required to acknowledge that they have read and agree to the Code of Ethics. The Code of Ethics sets out principles and standards for honest and ethical behavior at UPC, including the following key areas:

- compliance with applicable laws
- conflicts of interest
- insider trading
- quality of disclosure and accountability
- confidentiality and corporate opportunity
- reporting illegal or unethical behavior

The Audit Committee periodically discusses relevant matters with management to ensure satisfactory compliance with the Code of Ethics. Directors or officers who have concerns about violations of laws, rules or regulations or of the Code of Ethics are to report them to the Corporate Secretary or to the Chair of the Audit Committee. Following receipt of any complaints, the Corporate Secretary or Chair of the Audit Committee, as the case may be, will investigate each matter so reported and report to the Audit Committee. The Audit Committee has primary authority and responsibility for monitoring compliance with and enforcing the Code of Ethics, subject to the supervision of the Board.

To supplement the Code of Ethics, the Audit Committee has established a policy and set of procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters (the "**Whistleblowing Policy**") to encourage officers and directors to raise concerns regarding accounting, internal controls or auditing matters, on a confidential basis free from discrimination, retaliation or harassment. The Whistleblowing Policy

provides for the confidential reporting of any issues to the Chair of the Audit Committee and the procedure for handling matters reported thereunder.

The Code of Ethics and the Whistleblowing Policy are made available to everyone on the Corporation's website at www.uraniumparticipation.com or on SEDAR under UPC's profile at www.sedar.com, and are distributed annually to all directors and officers of UPC.

Anti-bribery Policy

The Board adopted an Anti-bribery Policy for the Corporation, the purpose of which is to reiterate UPC's commitment to compliance with Canada's *Corruption of Foreign Public Officials Act* ("CFPOA"), the *U.S. Foreign Corrupt Practices Act* ("FCPA") and any local anti-bribery or anti-corruption laws that may be applicable. This policy applies to all officers, directors, employees and agents of UPC and its subsidiaries, and supplements the Code of Ethics and all applicable laws, and provides guidelines for compliance with the CFPOA, the FCPA and UPC's policies. UPC's CEO is responsible for administering and interpreting the policy under the oversight of the Audit Committee. UPC's Anti-bribery Policy is available on its website at www.uraniumparticipation.com.

Anti-Hedging Policy

The Board has an Anti-Hedging Policy, prohibiting UPC's directors and officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the common shares. Oversight of the Anti-Hedging Policy has been delegated to the Compensation Committee.

Shareholder Communications

The Board has put structures in place with the goal of ensuring effective communication between the Corporation, its Shareholders and the public, and regularly monitors the policies and procedures that are in place to achieve that goal and ensure a strong, cohesive, sustained and positive image of the Corporation with Shareholders, governments and the public generally.

Shareholders are informed of developments in the Corporation by the issuance of timely press releases which are concurrently posted to UPC's website at www.uraniumparticipation.com, and filed under the Corporation's profile on SEDAR.

UPC also has established an investor relations procedure whereby most Shareholder concerns and/or requests for information are heard and addressed on an individual basis. Significant Shareholder concerns are brought to the attention of management or the Board.

Shareholders or other interested parties may communicate directly with the Chief Executive Officer, Chief Financial Officer, Chairman of the Board and any of the directors by writing to them at the Corporation's office below. Envelopes should be marked "Confidential" and to the attention of the appropriate party.

STATEMENT OF EXECUTIVE COMPENSATION

Remuneration of Officers

UPC has no employees. Under the terms of the current management services agreement effective April 1, 2019 (the “**MSA**”), UPC has engaged the Manager to provide administration and management services to the Corporation. The Manager currently provides the Corporation with four officers, three of which are “**named executive officers**” of the Corporation (as defined in securities laws): Mr. David Cates, the Corporation’s President and Chief Executive Officer, Mr. Mac McDonald, the Corporation’s Chief Financial Officer, and Mr. Tim Gabruch, the Corporation’s Chief Commercial Officer.

The MSA provides that any directors, officers or employees of the Manager who are also officers of UPC shall be paid by the Manager, and they shall not receive any remuneration from UPC. The named executive officers of the Corporation are also named executive officers of DMC (the parent company of the Manager) and the compensation paid to these individuals by the Manager or DMC for DMC’s fiscal year ended December 31, 2019 can be found disclosed in DMC’s Compensation Discussion and Analysis in DMC’s management information circular dated May 12, 2020, which has been filed under DMC’s profile on SEDAR at www.sedar.com.

Compensation of Directors

In the financial year ended February 29, 2020, UPC’s directors received cash compensation, including an annual retainer and an attendance fee for each meeting held. The Corporation also reimburses the members of the Board for out-of-pocket expenses for attending meetings.

All directors, regardless of jurisdiction of residence, receive a retainer of US\$25,000 per year, plus US\$1,000 per attended meeting of the Board and committees of the Board. The quantum of this compensation was set in 2005, with the only change being made in April 2018, when it was approved that all directors would receive compensation in US dollars instead of the currency of their residency.

The Corporation does not have a stock option plan or pension plan and does not pay non-equity incentive payments.

When considering the appropriate level of compensation for the Corporation’s directors, the Board (a) recognized the importance of equitable compensation in attracting and retaining desirable board candidates; and (b) considered a number of factors, including the directors’ time commitments and the risks and responsibilities that the directors of UPC assume in keeping with the roles of the Board and the standing committees. The Compensation Committee also previously engaged consultants to review the compensation paid to its directors.

The Compensation Committee has assessed the Corporation’s director compensation and has concluded that UPC’s compensation policies and practices are reasonable and effective and do not create risks that are reasonably likely to have a material adverse effect on the Corporation. Because directors are compensated in a fixed manner, through a retainer and meeting fees, the Compensation Committee determined that this form of compensation was unlikely to promote unnecessary risk-taking among its directors.

The table below sets out what UPC paid to directors in retainers and fees during the fiscal year ended February 29, 2020 (rounded to the nearest thousand):

Name	Fees Earned (\$)	All Other Compensation	Total (\$)
Paul J. Bennett	\$48,000	Nil	\$48,000
Thomas Hayslett	\$45,000	Nil	\$45,000
Jeff Kennedy	\$45,000	Nil	\$45,000
Garth A.C. MacRae	\$49,000	Nil	\$49,000
Ganpat Mani	\$46,000	Nil	\$46,000
Dorothy Sanford	\$48,000	Nil	\$48,000

Notes:

- (1) Amounts paid to the directors were paid in U.S. dollars and translated into CAD dollars at month-end closing foreign exchange rates.

Performance Graph

The following graph compares the cumulative total return for \$100 invested in Common Shares as traded on the TSX for the period from February 29, 2016 to February 29, 2020, against the total return of the S&P/TSX Composite Total Return Index for the same period. The Shares trade on the TSX under the symbol "U".

The cumulative total shareholder return for the Common Shares has been less than the cumulative total shareholder return on the S&P/TSX Composite Index since February 29, 2016, which is consistent with returns of natural resources companies in the uranium market.

All officers of the Corporation are compensated by the Manager and supplied to UPC in accordance with the terms of the MSA. A considerable portion of the Manager's compensation depends on the net asset value of the Common Shares.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

The Corporation maintains management liability insurance for its directors and officers acting in their respective capacities in an aggregate amount of \$20,000,000 each policy period, subject to the following deductibles: (a) \$50,000 per indemnifiable loss; and (b) \$50,000 for a loss due to a claim under Canadian securities laws. There is no deductible for a non-indemnifiable loss.

The premium paid by the Corporation for this coverage is \$58,500 for the period from April 1, 2019 to March 31, 2020 and \$63,300 for the period from April 1, 2020 to March 31, 2021. No amounts were paid by individual directors and officers for this coverage.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Since the commencement of the Corporation's most recently completed financial year, no informed person of the Corporation, nominee for director or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries. An "informed person" means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or corporation that is itself an informed person or subsidiary of the Corporation; (c) any person or corporation who beneficially owns, directly or indirectly, voting securities of the Corporation or who exercises control or direction over voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or corporation as underwriter in the course of a distribution; and (d) the Corporation itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its Common Shares.

MANAGEMENT CONTRACTS

The Corporation is a party to the MSA, pursuant to which the Manager is appointed to manage the business and affairs of the Corporation as directed by the UPC Board. The Manager provides administration and management services to the Corporation, which services include the provision of four officers of the Corporation (the President and Chief Executive Officer, the Chief Financial Officer, the Chief Commercial Officer and the Corporate Secretary), as well as any other position necessary to carry out the Manager's responsibilities for the administration, financial reporting, investor relations and marketing activities. See "Management Contracts". A copy of the MSA has been filed on the SEDAR website and is available at www.sedar.com or at www.uraniumparticipation.com.

The Manager does not have any ownership interest in UPC, and the two companies do not have any directors in common. The Manager is required to act in accordance with reasonable and prudent business practices and, with the approval of the Board and at its own cost, may delegate, any of its duties or obligations under the MSA to any third party.

All purchases and sales of uranium are directed by the Board and are made by the Manager on behalf of UPC in accordance with the MSA. The Manager is obligated to use commercially reasonable efforts to purchase and sell uranium at the best prices available to it over a prudent period of time. When the Board directs the Manager to purchase or sell uranium, the Manager may put out a tender for an offer to purchase or sell uranium or negotiate directly with potential suppliers (off-market transactions) for the purchase or sale of uranium. All purchases and sales of uranium are and will continue to be completed by the Manager in accordance with standard industry practices for and on behalf of UPC.

When the Board directs the Manager to lend uranium, the terms of the loan are reviewed, including the quantity, interest rate, duration, security and covenants, and must be approved by the Board prior to finalizing. Any lending arrangements for uranium will be completed by the Manager in accordance with standard industry practices for and on behalf of UPC.

The Manager is required to arrange, on behalf of the Corporation, storage of the uranium at licensed facilities and insurance coverage. It is also responsible for the preparation of draft regulatory filing materials and reports for Shareholders and to furnish office facilities.

The following table sets out the names and the countries and provinces of residence of each of the informed persons of the Manager and their respective positions and offices held with the Manager as of the date hereof.

Name and Place of Residence	Position with UPC	Positions with DMC and the Manager
David Cates Ontario, Canada	President and Chief Executive Officer	President and Chief Executive Officer and Director of DMC and the Manager
Gabriel (Mac) McDonald Ontario, Canada	Chief Financial Officer	Executive Vice President and Chief Financial Officer of DMC and Chief Financial Officer and Director of the Manager
Tim Gabruch Saskatchewan, Canada	Chief Commercial Officer	Vice President Commercial of DMC
Amanda Willett British Columbia, Canada	Corporate Secretary	Vice President Legal and Corporate Secretary of DMC and Corporate Secretary of the Manager

The MSA provides that any directors, officers or employees of the Manager who are also officers of UPC shall be paid by the Manager for serving in such capacity, and they shall not receive any additional remuneration from UPC. The MSA does not provide for any allocation of the compensation paid to the Manager under the MSA to any of the individuals who serve as officers of UPC, and UPC is not aware of any such allocation. The officers are required to provide the amount of time to UPC's business necessary to effectively operate the business. The amount of time will vary in each year depending on the initiatives of UPC in the particular year. For example, management time will be greater in a year in which UPC undertakes a financing or acquisition transaction.

For the fiscal year ended February 29, 2020, UPC paid the Manager \$2,293,000 in management fees, of which \$197,000 was on account of commissions on uranium sales and purchases and \$300,000 was an account of a discretionary fee awarded to the Manager in recognition of the Manager's efforts in carrying out non-routine activities during the 2020 fiscal year. Management fees were paid in accordance with the terms of the MSA, as follows: (a) a base fee of \$400,000 per annum, payable in equal quarterly installments; (b) a variable fee equal to (i) 0.3% per annum of the Corporation's total assets in excess of \$100 million and up to and including \$500 million, and (ii) 0.2% per annum of the Corporation's total assets in excess of \$500 million; (c) a fee, at the discretion of the Board, for on-going monitoring or work associated with a transaction or arrangement (other than a financing, or the acquisition of or sale of U₃O₈ or UF₆); and (d) a commission of 1.0% of the gross value of any purchases or sales of U₃O₈ or UF₆, or gross interest fees payable to the Corporation in connection with any uranium loan arrangements.

The MSA has a term of 5 years ending March 31, 2024. The MSA may be terminated during its term, subject to certain exceptions, by the Manager upon the provision of 180 days' written notice and by UPC: (a) at any time, upon the occurrence of a material breach of the MSA by the Manager, (b) upon 30 days' written notice and payment to the Manager of an amount equal to the base and variable management fees that would otherwise be payable to the Manager (calculated based on the Corporation's current uranium holdings at the time of termination) for the lesser period of three years from the date of written notice or the remaining term of the MSA, and (c) within 90 days of certain events surrounding a change of both of the individuals serving as Chief Executive Officer and Chief Financial Officer of UPC, and/or a change of control of the Manager.
